## Sandcastles

**Design and draw out your dream sandcastle. What would your ultimate sandcastle look like?**

Materials Needed:

- Sand
- Shovel, pails, measuring cups
- Cookie cutters
- Toothpicks, skewers, craft sticks

Instructions:

- Using the different containers, build your sandcastle. Make sure that it is sturdy!
- Now, use the cookie cutters, craft sticks, toothpicks and skewers to decorate your sandcastle
- Use your imagination!!!

Want more fun?

- What happens when you build a different sandcastle? Instead of making it tall, make it short. Instead of making it square, make it round.
