What did you discover?
List the book or a cool fact you read.

The Dewey Decimal System is a way to put books in order by subject. It's how we stay organized at the library!

There are 10 subject groups in the Dewey Decimal System.

Want to know more about Dewey?

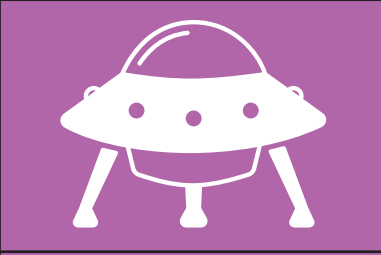

Watch this short video.

The Dewey Challenge

- » Read or listen to a book from each of the first five subject groups.
- » Read and learn however you want using different library resources.

- » Tell us what you read or a cool fact you discovered!
