Parfait Day:

Parfait Day kicks off breakfast, lunch, snack, or dessert just right on November 25th! This versatile dish serves up sweet or healthy in layers of goodness. Usually served in a specially styled glass, a parfait presents ingredients in appealing layers. Fruit, yogurt, or ice cream provide the basis for transitions between nuts, chocolate, or even whipped cream.

Parfait, a French word that literally means “perfect” was originally used to describe a kind of frozen dessert beginning in 1894.
