

Accessibility and Inclusion Advisory Committee

The Accessibility and Inclusion Advisory Committee (the Committee) of the Okanagan Regional Library (ORL) works collaboratively to share their experiences to improve ORL accessibility and inclusion. The Committee will provide recommendations to the ORL on strategies to reduce social, physical, and sensory barriers that prevent people from fully participating in the services, programming, spaces, and collections of the ORL.

Meetings are during the day and are scheduled to be four times per year in March, June, September, and December. Specific dates and times will be decided by the committee.

Applications can be completed online using our online form (<https://forms.office.com/r/LxHT9jHVCA>), sent by email to access@orl.bc.ca, or dropped off to any of our ORL branches.

Please submit your completed application by January 15, 2024.
